

ventures in the history of the club. For those who may not recall, it was a massive collection of scrap metal and batteries donated by people to the Club which was subsequently sold.

Scrap Saturday was fixed for 2nd April 2011. Ahead of this, five collections were organised at Corrigeenroe, Drumboylan, Ardcarne, Knockvicar and the main site which is what is now the car park behind Cootehall Church. Leaflets were distributed into all houses in the area. The community responded magnificently. The entire venture was very labour-intensive, but once again, our great team of volunteers responded.
