

scoreboards and so on. As our numbers continue to grow we must continue in our endeavors to provide the best facilities possible for our future generations.

**Completed Complex & Dressing Rooms**

Ardcarne Park was awarded the 1998 GAA Ground of the Year award. This was well earned and much thanks must go to all involved then and over the years in maintaining the field and its surrounds. 2002 saw us host the FBD League game of Roscommon -v- Sligo at the short notice of a mere few hours. After inspection of the Abbey Park in Boyle, their grounds were frozen and the game moved to Cootehall. The County Board highly commended the club. Also, two senior Championship games were hosted at Ardcarne Park that year for which we gained great praise.
